

## **Directions to Dog World of Puerto Rico** **Santa Clara, Calle Jaguas K-27 Guaynabo**

On the highway – Espresso Las Americas heading towards Caguas

Take the exit (right lane) for old Express Way #1 to Caguas

You will pass huge Centennial / Pfizer building

Continue forward for approx. 1 mile; you will pass:

Calle San Roberto exit on the right

Verizon building on the left

University – Inter Americana on the left

Will pass UNDER a bridge

Supermarket “Econo” on the right

PR Health Plan (formally Cruz Azul) building on the left

You need to be in the right lane by this point

Continue forward through the first light after the Cruz Azul building

Take the immediate (200 meters) Exit #199 to Guaynabo/Cupey on the right

You are now in the marginal lane, keep in the left lane

Continue forward

You will pass UNDER a bridge

DO NOT take next exit to Expressway #199

Continue forward (about 300 meters after you pass UNDER same bridge)

Go right at the fork in the road which reads: Road #873

Continue forward for approx. 1/2 mile; you will pass:

(The road is narrow, curvy & downhill like in the mountains)

Housing complex – Vista de los Frailes on the right

Urbanization – Bosque de los Frailes on the right

Urbanization – Monte Alveria on the right

You will go OVER a small bridge

After the bridge you will take your first right

You will see ITALCeramica & the sign for Urb Santa Clara

Continue forward to the guard

We live at Calle Jaguas K-27

After guard, continue forward

Calle Jaguas is the 7<sup>th</sup> left

Continue all the way to the end

We are the 4th from LAST house on the left on the street
